

Review guidelines

What we're looking for: We really want to know your true thoughts about the books you've read, so pick one of the books you've completed from the Summer Reading Challenge list and tell us what you liked, what you didn't like and why you feel that way! Reviews should be no more than 100 words (except for you older kids; if you want to push to 200 words, that's OK with us!) and please make sure to include your name, age and a star-rating out of five.

Here's a guide to help you decide how many stars to give a book:

☆: I hated the book

☆☆: The book was OK, but I probably wouldn't read it again

☆☆☆: The book was good, but not great.

☆☆☆☆: The book was amazing!

☆☆☆☆☆: This is my new favourite book and I loved everything about it.

We'd also love a photo of you and the book you're reviewing! Parents, when you submit the reviews, please let us know if we have your permission to run the photo with the review.

To submit your reviews, email them to **bookclub@winnipegfreepress.com**. Please attach photos as a JPEG or PNG.
